LIFEgroup Homework

For the week of August 6, 2017

Speaker: Scott Rodgers

GETTING TO KNOW YOU

1. Share about one of your favorite places to visit in Arizona?
2. What is one of your favorite ways to reconnect with God & your family?
Nature, Adventure, Meals around a Table, Reading, etc.

QUICK REVIEW

Looking back at your notes from this week's teaching, was there anything that particularly caught your attention, challenged or confused you?

DIGGING DEEPER

1. Read together Numbers 13:1-2
What does God ask the Israelites to DO and what does he PROMISE?
2. Read Numbers 13:25-33 together

What were the results of the spy trip? What was the land like?

How did Caleb's report differ? (verse 30)

How did the men respond to Caleb (verse 31)

3. Jot down a quick list of the ways God has come through or shown up in your life before. Nothing in depth is needed just make a quick list. The Israelites quick list in this moment would be: God delivered them out of captivity in Egypt, God showed his power of Pharaoh with the plagues and at the red sea.

Why do you think it is so easy for the Israelites to forget God's past faithfulness when this new challenge is in front of them?

What struggle is staring you in the face right now? What promise of God feels like it has to many obstacles in the way for it to ever come true? Peace & purpose at work? Reconnection with your Spouse or Sibling? Freedom from that habit or thought pattern?

Read Numbers 14:11

4. Think about it. How might you remember the promise that God is with his people – that's all of us who believe in Jesus as Lord?

Talk about the character of God together. Often it helps to remember who God is as we face new fears and new challenges.
