LIFEgroup Homework

For the week of: June 11, 2017

Guest Speaker: Scott Rodgers, "Mix Tape – Don't Stop Believing"

GETTING TO KNOW YOU

1. What bands have you seen live in concert? Which one was your favorite and why?
2. What is the ONE song that when you hear it it always make you start singing and/or dancing?

QUICK REVIEW

Looking back at your notes from this week's teaching, was there anything that particularly caught your attention, challenged or confused you?

DIGGING DEEPER

1. When it comes to faith, do you ever wrestle with doubt?
 - o What are the circumstances in your life that you find you wrestle with your faith and doubt the most?
2. Read Genesis 17:15-21 and Mark 9:21-24. What do these scriptures have in common?
 - o What was the Lords reaction to each of these and how can you apply that to your own doubt?

3. As followers of Jesus we are asked to believe what is in scripture says in its totality. Look at the list below or choose one of your own. What are some of biblical events you might have the most trouble believing:

| | |
|------------------------------|-----------------------------|
| Six days of creation | Jesus born of a virgin |
| Noah's flood | Jesus walks on water |
| Moses parting the Red Sea | Jesus raising the dead |
| Jericho's walls falling down | Jesus raising from the dead |

4. Scott stated that followers of Jesus primarily "believe" two things: Someone to believe in and Something to believe for. Read John 3:16-18. What are the primary elements of this scripture that are imperative that we "believe" and why?
5. Read Exodus 14:14, Deuteronomy 31:8, Isaiah 40:31, Isaiah 41:10, James 1:5. What are some of the promises contained in these verses that will help in hard times and in times of doubt?
6. Our faith is often grown in daily circumstances but rarely seen until we peer into the rearview mirror and see that God was intimately involved all along. Share a story of when God seemed absent in your life only to look in the rearview mirror later to see His involvement.
